

Tray-Vac™ Vacuum Former

Great Vacuum Forming Performance and Reliability in a Budget-Friendly Design

- **Excellent Performance**

Heavy duty electric vacuum motor provides powerful and immediate suction... creating accurate adaptations- no compressed air connections required!

- **Gasket-Free Easy Frame System**

Spring loaded, self-leveling, gasket-free frame with clever quick-release "fingernail-saving" latch securely handles a variety of 5" x 5" sheet materials and maintains excellent alignment with the flat vacuum table

- **Solid Construction**

Solid construction (7 1/2" W x 9 1/2" D x 15" H, 17 lbs.) for improved durability, long life and virtually no maintenance in a lighter-weight design

- **Convenient and Safe Design**

Heater hood rotates behind the center post for safety and convenience

- **Wide Range of Available Accessories**

Please see the complete line of Buffalo Dental vacuum forming equipment and supplies including a wide range of Vacuum Forming Sheets, Block-out Compound, Silicone Spray, Tray Handles, Knives and Burs, the ThermaKnife™ Thermal Cutting Knife, and PolyShoK™ Sports Mouthguard Materials

Made in USA!
