

Trap-Eze™ 2 Gallon Disposable Trap^{*Patented}

Our new 2 Gallon Disposable Plaster Trap

More convenience and less hassle!

The new Trap-Eze™ 2 Gallon Disposable Trap has been designed to fit in tighter spaces as compared to our other 3 1/2 and 5 gallon traps. Its smaller size also means a reduced overall weight when full.

Our 2 gallon trap slots right into our already great lineup of traps, making it useful in Dental Laboratories, Medical offices, Ceramic Clay and Pottery facilities, Hobby, Craft and Workshops, Industrial and Food Preparation facilities.

Features and Benefits:

- Small footprint (9 1/2" H x 10" W) makes it easy to fit in smaller under-sink spaces
- Ships as a 2 pack (Regular bucket and refill)
- Lightweight design makes removing a full bucket simple and easy for anyone
- Economical trap systems designed to slow water discharge flow rate and allow sediment to settle out of waste water
- Fast and easy installation and trap replacement
- No permanent traps to clean or messy liners
- Made in the USA
